1. Introduction

This Data Sharing Agreement (“Agreement”) establishes the terms and conditions under which:

Party A, identified in the UPCAST Negotiation software as the Data Provider with ID 68821ed6eeea3fe76612e026, and

Party B, identified in the UPCAST Negotiation software as the Data Consumer with ID 68821fc7eeea3fe76612e027,

can acquire and use data from one another. Party B agrees to purchase the dataset titled “string” for a total price of 0. Detailed information about the dataset—its URI, description, format, size, tags, and environmental cost metrics—is provided in Section machine-Readable (MR) of Appendix at the end of this document.

This Agreement becomes effective upon signature by both parties and remains in effect until terminated by either party in accordance with the terms herein.

This Agreement was generated by the UPCAST Negotiation Software (https://dips.soton.ac.uk/negotiation-plugin) under Negotiation ID 68878723a62982a292b58246. It comprises a human-readable section, which forms the basis of a legally binding contract, and a Section MR is provided in Appendix for automated processing and enforcement.

2. Purpose of the Agreement

The purpose of this Agreement is to facilitate the sharing of data while ensuring compliance with applicable laws and regulations regarding data protection and privacy rights. The parties agree to adhere to the policies outlined in this document to protect the integrity and confidentiality of the data shared.

3. Responsibilities of the Parties

The Data Provider and Data Consumer agree to the following responsibilities:

1. The Data Provider shall ensure that the data shared is accurate, complete, and up-to-date.
2. The Data Consumer shall use the data only for the purposes specified in this Agreement and shall not disclose it to any third parties without prior written consent from the Data Provider.
3. Both parties shall implement appropriate security measures to protect the data from unauthorized access, loss, or damage.
4. Both parties shall comply with all applicable laws and regulations regarding data protection and privacy rights.

4. Policies

4. 1 Definitions:

Client: Data subjects that are clients or recipients of services (Please refer to https://w3id.org/dpv/dpv-owl#Client for more details.)

Ensure Exclusivity: To ensure that the Rule on the Asset is exclusive.. If used as a Duty, the assignee should be explicitly indicated as the party that is ensuring the exclusivity of the Rule. (Please refer to http://www.w3.org/ns/odrl/2/ensureExclusivity for more details.)

Maintain Credit Checking Database: Purposes associated with maintaining a Credit Checking Database (Please refer to https://w3id.org/dpv#MaintainCreditCheckingDatabase for more details.)

Economic Indicators: The definition does not exist in http://example.org/datasets/economicIndicators. Please insert the definition.

4. 2 Data Procession Workflows (DPW):

Party B agrees to process the dataset exclusively using the data-processing workflow available at the following link: (insert link).

4.3 Rules:

The users must comply with the following Rules:

4.3. 1 Permission

There are no permission related rules.

4.3. 2 Prohibition

There are no prohibition related rules.

4.3. 3 Obligation

There are no obligation related rules.

4.3. 4 Duty

1. Party B in duty bound to Party A to carry out the ensure exclusivity action on the economic indicators dataset, only for the purpose of maintain credit checking database. Party B shall confirm execution of the ensure exclusivity action by providing certification or proof upon request.

5. Custom Arrangements

Rules that are not covered by the standard policies outlined in this Agreement may be established as custom arrangements between the Data Provider and Data Consumer.

5.1 Data Sharing Rules

Party B in duty bound to Party A to perform the distribution action on the economic indicators dataset, specifically for the purpose of counterterrorism. Party B shall confirm execution of the distribution action by providing certification or proof upon request.

6. Data Protection and Security

Both parties will deploy suitable technical and organizational safeguards to protect all data exchanged under this Agreement. Such measures—including, but not limited to, encryption, strict access controls, and routine security audits—aim to prevent unauthorized access, loss, or destruction of data.

7. Data Sharing Mechanisms

Data sharing under this Agreement shall occur exclusively via secure channels.All transfers must be encrypted in transit and fully logged.The Data Provider shall furnish the Data Consumer with access to the shared data in strict accordance with the terms and conditions set forth herein.

Both Parties agree to implement and maintain data-sharing mechanisms that:

1. Comply with all applicable laws and regulations;
2. Ensure the confidentiality and integrity of data during transmission; and
3. Guarantee that each Party receives access to the data as specified in this Agreement.

8. Confidentiality

Both parties agree to treat all data shared under this Agreement as confidential and shall not disclose it to any third parties without prior written consent from the other party. This confidentiality obligation shall survive the termination of this Agreement.

9. Governing Law and Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of the jurisdiction in which the Data Provider is located. Any disputes arising out of or in connection with this Agreement shall be subject to the exclusive jurisdiction of the courts of that jurisdiction.

10. Dispute Resolution

In the event of any dispute arising out of or in connection with this Agreement, the parties agree to first attempt to resolve the dispute amicably through good faith negotiations. If the dispute cannot be resolved through negotiations, either party may refer the matter to mediation or arbitration in accordance with the rules of the jurisdiction in which the Data Provider is located.

11. Signatures

This Data Sharing Agreement establishes a comprehensive framework governing the exchange of data and ensuring compliance with all applicable policies and regulations. By executing this Agreement, the Data Provider and the Data Consumer affirm their acceptance of, and commitment to abide by, the terms and conditions herein.
