RECITALS

The UK General Data Protection Regulation (UK GPDR) Art. 28 and section 59 of the Data Protection Act 2018 require parties to have in place a binding contract where they have a controller-processor relationship. This requirement of the GDPR and Act applies to all such relationships in place from 25 May 2018. This MoU is intended to create a set of data processing terms which the public bodies in this case can adopt to satisfy this requirement.

INTRODUCTION

The ERO has entered into this data processing MoU with the Department for Levelling Up, Housing and Communities (DLUHC) for the Department to process personal data for the purposes of processing personal data using the EROP which will cover three services: application for Voter Authority Certificate, Online Absent Vote Applications and applications to register as an Overseas Elector.

This MoU sets out the terms, requirements and conditions on which the Department will process personal data when providing services under the MoU.

The Parties agree to comply with the terms of this MoU in consideration of the payment by each Party to the other of the sum of one pound (£1), the receipt and sufficiency of which is acknowledged by each Party.

MEMORANDUM OF UNDERSTANDING/DATA SHARING AGREEMENT FOR CONTROLLER TO PROCESSOR DATA PROCESSING

1. DEFINITIONS

Controller, **Processor**, **Processing**, **Data Subject**, **Personal Data**, **Personal Data Breach**, **Data Protection Officer** take the meaning given in the GDPR.

DPA 2018: Data Protection Act 2018

Data Protection Legislation: means all applicable data protection and privacy legislation in force from time to time in the UK including, as defined at s.3(9) of the DPA 2018, the UK GDPR; the DPA 2018; regulations made under the DPA 2018; and regulations made under s.2(2) of the European Communities Act 1972 which relate to the EU GDPR or the Law Enforcement Directive.

Data Protection Impact Assessment: an assessment by the Controller of the impact of the envisaged processing on the protection of Personal Data.

GDPR or UK GDPR: the UK General Data Protection Regulation.

Law: means any law, subordinate legislation within the meaning of Section 21(1) of the Interpretation Act 1978, bye-law, enforceable right within the meaning of Section 2 of the European Communities Act 1972, regulation, order, regulatory policy, mandatory guidance or code of practice, judgment of a relevant court of law, or directives or requirements with which the Processor is bound to comply;

MoU this agreement on personal data processing between the Parties as public bodies.

Personal Data Breach: a **breach** of **security** leading to the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, **personal data** transmitted, stored or otherwise processed.

Subject Request: a request made by, or on behalf of, a Subject in accordance with rights granted pursuant to the Data Protection Legislation in respect of their Personal Data.

Party: a Party to this MoU listed in Annex 1

Processor Personnel: means all directors, officers, employees, agents, consultants and contractors of the Processor and/or of any Sub-Processor engaged in the performance of its obligations under this MoU;

Protective Measures: appropriate technical and organisational measures which may include: pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the such measures adopted by it.

Sub-processor: any third Party appointed to process Personal Data on behalf of that Processor related to this MoU.

2. REQUIREMENTS OF PARTIES TO THIS MoU

2.1 Where there is a Controller-Processer relationship, each Party shall co-operate with the other Party to complete Annex 1 to this MoU prior to entering into the relationship.

3. DATA PROTECTION – WHEN ONE PARTY IS CONTROLLER AND THE OTHER PARTY IS THE PROCESSOR

3.1 This MoU shall apply where one Party is the Controller and the other Party is the Processor as specified in Annex 1. Subject to 3.4(a), the only processing that the Processor is authorised to do is listed in Annex 1 by the Controller and may not be determined by the Processor.

3.2 The Processor shall notify the Controller immediately if it considers that any of the Controller's instructions infringe the Data Protection Legislation.

3.3 The Processor shall provide all reasonable assistance to the Controller in the preparation of any Data Protection Impact Assessment in respect of any processing. Such assistance may, at the discretion of the Controller, include:

(a) a systematic description of the envisaged processing operations;
(b) an assessment of the necessity and proportionality of the processing operations in relation to the Services;
(c) an assessment of the risks to the rights and freedoms of Data Subjects; and
(d) the measures envisaged to address the risks, including safeguards, security measures and mechanisms to ensure the protection of Personal Data.

3.4 The Processor shall, in relation to any Personal Data processed in connection with its obligations under this MoU:

(a) process that Personal Data only in accordance with Annex 1, unless the Processor is required to do otherwise by Law. If it is so required, the Processor shall promptly notify the Controller before processing the Personal Data unless prohibited by Law;

(b) ensure that it has in place Protective Measures, which are appropriate to protect against a Personal Data Breach, which the Controller may reasonably reject (but failure to reject shall not amount to approval by the Controller of the adequacy of the Protective Measures), having taken account of the:

(i) nature of the data to be protected.

(ii) harm that might result from a Personal Data Breach.

(iii) state of technological development; and

(iv) cost of implementing any measures;

(c) ensure that:

(i) the Processor Personnel do not process Personal Data except in accordance with this MoU (and in particular Annex 1);

(ii) it takes all reasonable steps to ensure the reliability and integrity of any Processor Personnel who have access to the Personal Data and ensure that they:

(A) are aware of and comply with the Processor's duties under this clause;

(B) are subject to appropriate confidentiality undertakings with the Processor or any Sub-processor;

(C) are informed of the confidential nature of the Personal Data and do not publish, disclose or divulge any of the Personal Data to any third Party unless directed in writing to do so by the Controller or as otherwise permitted by this MoU; and

(D) have undergone adequate training in the use, care, protection and handling of Personal Data

(d) not transfer Personal Data outside of the UK unless the prior written consent of the Controller has been obtained and the following conditions are fulfilled:

(i) the Controller or the Processor has provided appropriate safeguards in relation to the transfer (whether in accordance with GDPR Article 46 or Chapter 5 of the DPA 2018) as determined by the Controller;

(ii) the Data Subject has enforceable rights and effective legal remedies;

(iii) the Processor complies with its obligations under the Data Protection Legislation by providing an adequate level of protection to any Personal Data that is transferred (or, if it is not so bound, uses its best endeavours to assist the Controller in meeting its obligations); and

(iv) the Processor complies with any reasonable instructions notified to it in advance by the Controller with respect to the processing of the Personal Data;

(e) at the written direction of the Controller, delete or return Personal Data (and any copies of it) to the Controller on termination of the MoU unless the Processor is required by Law to retain the Personal Data.

3.5 Subject to clause 3.6, the Processor shall notify the other Party without delay if it, in connection with Personal Data processed under this MoU:

(a) receives a Subject Request (or purported Subject Request);

(b) receives a request to rectify, block or erase any Personal Data;

(c) receives any other request, complaint or communication relating to either Party's obligations under the Data Protection Legislation;

(d) receives any communication from the Information Commissioner or any other regulatory authority;

(e) receives a request from any third party for disclosure of Personal Data where compliance with such request is required or purported to be required by Law; or

(f) and in any event within 24 hours of becoming aware of a Personal Data Breach.

3.6 The Processor's obligation to notify under clause 3.5 shall include the provision of further information to the Controller in phases, as details become available.

3.7 Taking into account the nature of the processing, the Processor shall provide the Controller with full assistance in relation to either Party's obligations under Data Protection Legislation and any complaint, communication or request made under clause 3.5 (and insofar as possible within the timescales reasonably required by the Controller) including by promptly providing:

(a) the Controller with full details and copies of the complaint, communication or request;

(b) such assistance as is reasonably requested by the Controller to enable the Controller to comply with a Subject Request within the relevant timescales set out in the Data Protection Legislation;

(c) the Controller, at its request, with any Personal Data it holds in relation to a Data Subject;

(d) assistance as requested by the Controller following any Personal Data Breach;

(e) assistance as requested by the Controller with respect to any request from the Information Commissioner's Office, or any consultation by the Controller with the Information Commissioner's Office.

3.8 The Processor shall maintain complete and accurate records and information to demonstrate its compliance with this MoU.

3.9 The Processor shall allow for audits of its Data Processing activity by the Controller or the Controller's designated auditor.

3.10 The Parties shall designate a Data Protection Officer if required by the Data Protection Legislation.

3.11 Before allowing any Sub-processor to process any Personal Data related to this MoU, the Processor must:

(a) notify the Controller in writing of any change to the Sub-processors set in the Annex to this MoU.

(b) enter into a written agreement with the Sub-processor which give effect to the terms set out in this clause 3 such that they apply to the Sub-processor; and

(c) provide the Controller with such information regarding the Sub-processor as the Controller may reasonably require.

3.12 The Processor shall remain fully liable for all acts or omissions of any of its Sub-processors.

3.13 The Controller may, at any time on not less than 30 Working Days' notice, revise this clause by replacing it with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme (which shall apply when incorporated by attachment to this MoU).

3.14 The Parties agree to take account of any guidance issued by the Information Commissioner's Office. The Controller may on not less than 30 Working Days' notice to the Processor amend this MoU to ensure that it complies with any guidance issued by the Information Commissioner's Office.

4. WARRANTY

4.1 No Party to this MoU makes any warranty as to the accuracy or completeness of the Personal Data provided to another Party under this MoU.

5. RECORDS

5.1 Each Party shall maintain complete and accurate records and information to demonstrate its compliance with this MoU and the Data Protection Legislation (Record of Processing Activities).

5.2 Each Party shall provide the other full access to the other Party's data security and privacy procedures relating to Personal Data.

6. ESCALATION PROCEDURE

6.1 If either party has any issues, concerns or complaints about the MoU, or any matter in this MoU, that Party shall notify the other Party and the parties shall, acting in good faith, seek to resolve the issue by negotiations between themselves. If the issue cannot be resolved within 7 days, the matter shall be escalated to the ERO and SRO for DLUHC.

6.2 In the event that the escalation procedure in 6.1 does not resolve the issue it shall be finally resolved by the respective Heads of Organisation, who may also consult with their Data Protection Officers.

6.3 If either Party receives any formal inquiry, complaint, claim or threat of action from a third party (including, but not limited to, claims made by a supplier or requests for information made under the Freedom of Information Act 2002) in relation to this MoU, the matter shall be promptly referred to the Data Protection Officer of each Party (or its nominated representatives). No action shall be taken in response to any such inquiry, complaint, claim or action, to the extent that such response would adversely affect this MoU, without the prior approval of the Data Controller (or its nominated representatives).

7. TERM AND TERMINATION

7.1 This MoU updates the existing agreement signed in November/December 2022 and shall continue unless usage of the EROP is terminated as defined in clause 7.2

7.2 This MoU can be terminated only via mutual agreement between both parties, with at least three months' notice in writing, unless both parties are agreed that a reduced notice period is acceptable.

7.3 Upon termination, the Processor shall comply with any direction given by the Controller in relation to deletion or return of Personal Data under 3.4(e) save as otherwise required by law.

8. VARIATION

8.1 Other than variations pursuant to Clause 3.13, this MoU may only be varied by written agreement of the Parties.

9. GOVERNING LAW AND JURISDICTION

9.1 This MoU shall be governed by and construed in accordance with the relevant law.

If an overseas applicant was too young to be registered when they left the UK, they will provide the name of a parent or guardian at the point of application, which may then undergo register checks. The applicant will be required to supply evidence of their connection to that individual, which may include providing a birth certificate or an adoption certificate.
Special category personal data collected is dealt with in the relevant section below.

The Digital application will also gather data from Cookies (both session and, were accepted, performance cookies) to enable analytic information to be gathered and analysed by Google Analytics

<u>EROP administrators</u>
For accessing the ERO Portal further data is collected to allow access to the portal, this includes: -

1. Name of ERO staff member accessing the portal – so DLUHC can assign them to a role

	2. User credentials (ERO staff member) (i) Work email address (ii) login (iii) password (iv) Work mobile phone number (for two-factor authentication) (v) User ID 3. Associated user metadata – access monitoring logs. 4. Users of the Portal can also upload documents sent by the data subject(s) (electors) 5. Name and address of Electoral Registration Office 6. There will also be system generated data – dates, times, references for auditability to support processes undertaken on the portal
Categories of Data Subject	Prospective voters or electors in UK democratic elections including attainers (those who are not currently eligible to vote as they are under 18, but will be at the point of an election). Parents or guardians of those electors who were under 18 and therefore not registered prior to leaving the UK (contact details only) In some instances, contact details for an individual supporting an applicant to complete the application Electoral Registration Office (ERO) staff
Plan for return and destruction of the data once the processing is complete UNLESS requirement under union or member state law to preserve that type of data	**Application for a voter authority certificate** Deleting of personal data within the EROP will be the responsibility of individual EROs. **Application for an absent vote (postal or proxy vote)** Deleting of personal data within the EROP will be the responsibility of individual EROs. Responsibility for the management of the Electoral register and deletion processes lays with the ERO (Controller) and is managed within their EMS. **Application to register as an overseas elector** Deleting of personal data within the EROP will be the responsibility of individual EROs. Responsibility for the management of the Electoral register and deletion processes lays with the ERO (Controller) and is managed within their EMS
Transfers to third countries or international organisations	No data is transferred outside of the UK,
Legal Basis for Processing	The lawful basis for processing personal data is the below: The lawful basis for the processing of data via the EROP - Article 6 (1) (e) - processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller (“Public Task”)

	The public task is the new digital service which will support electors to vote by helping them apply for an absent vote whilst proving their identity, and by providing local authorities with the relevant information to process their vote. Article 6(1)(c) provides a lawful basis for processing where: “processing is necessary for compliance with a legal obligation to which the controller is subject.” (“Legal obligation”) It will in fact be necessary to process this data to ensure that identity checking takes place and that eligible electors can receive an absent vote, and thus cast their vote in elections. **Voter authority certificate** The Voter Identification Regulations 2022 detail the requirements on electors and the obligations on EROs with respect to the provision and the processing of documentary evidence demonstrating a person’s identity for voting at a polling station. **Online absent vote application services** EROs fulfil their legal duty to receive and issue postal and proxy votes under The Representation of the People (England and Wales) Regulations 2001. On receipt of an application under section 10ZC or 10ZD of the Representation of the People Act 1983, a registration officer must disclose the name or names, date of birth and national insurance number given under regulation 26 or 26A to the Secretary of State. Section 2 and Schedule 2 of the Elections Act 2022 enables the introduction of regulations allowing application to be submitted via an online route and provides for a new identity checking process to be applied to absent vote applicants, which will apply to paper applications as well as to applications made online. The requirements of that processing of personal data are in The Representation of the People (Postal and Proxy Voting Etc) (Amendment) Regulations 2023 laid before Parliament on 3rd July 2023, due to be made by 31st October 2023, ahead of the service going live in October 2023. **Overseas electors** EROs fulfil their legal duty to maintain the electoral register which operates to the franchise set in the law. Section 14 1A of the Elections Act 2022 removes the 15 year limit for British citizens living overseas. EROs are required to process personal data in this way in to comply with The Representation of the People (Overseas Electors) (Amendment) Regulations 2023.

	For google analytical cookies only the legal basis will be art 6(1)(a) consent **Processing of Special Category Data** Limited special category data may be processed, though this would be indirectly in the process of identity checking (through e.g. financial/marital status information provided by the elector), or in the process for a signature waiver (available to electors with disabilities.) The special category processing condition is: Article 9(2) (g) 'necessary for reasons of substantial public interest' UK GDPR, based on domestic law which shall be proportionate to the aim pursued, respect the essence of the right to data protection and provide for suitable and specific measures to safeguard the fundamental rights and the interests of the data subject; The processing of this data is necessary for statutory or government purposes under Sch 1, Part 2, paragraph 6 of the Data Protection Act 2018 to ensure that the data subject can successfully vote in elections by successfully applying to register or applying for an absent vote for the occasional and incidental processing of criminal offence data the article 10 requirements will be met by the article 6 legal basis of 6(1)(c) and (e) as above, and the DPA18 conditions as for special category data processing
