Glossary of key terms

In this Data Sharing Agreement (DSA) the following words and phrases will have the following meanings:

Term	Explanation
"Authority"	means the local authority that is to sign this Agreement, that is: London Borough of Camden
"BEIS"	means the Department for Business, Energy & Industrial Strategy
"Consortium"	means a group of local authorities, housing associations and or private companies working together to deliver the Social Housing Decarbonisation Fund – Wave 1 under the MoU
"Controller"	has the meanings set out in Article 4 of the UK GDPR
"Data Subject"	has the meanings set out in Article 4 of the UK GDPR
"DPA"	means the Data Protection Act 2018
"DSA"	means Data Sharing Agreement
"Funding Period"	has the meaning given to it in the MoU
"Government Social Research Publication protocol"	means the "Government Social Research Publication protocol", which are the principles for the publication of all government social research that is not regulated by the UK Statistics Authority
"MoU"	means the Social Housing Decarbonisation Fund – Wave 1 Memorandum of Understanding between the Secretary of State for Business Energy and Industrial Strategy and London Borough of Camden dated [BEIS insert date once signed]
"Partners"	means partners to this Agreement, namely the Secretary of State for Business, Energy & Industrial Strategy and: London Borough of Camden
"Personal data"	has the meanings set out in Article 4 of the UK GDPR
"Processing"	has the meanings set out in Article 4 of the UK GDPR
"Processor"	has the meanings set out in Article 4 of the UK GDPR
"Project Team"	means the Social Housing Decarbonisation Fund – Wave 1 project team within BEIS responsible for

	the delivery of the scheme, supported by their appointed delivery partner
“SHDF”	means Social Housing Decarbonisation Fund
“SHDF – Wave 1”	Means Wave 1 of the Social Housing Decarbonisation Fund
“Special Category data”	means the types of data listed in Article 9(1) of the UK GDPR
“The Code of Practice for Official Statistics ”	means the Code of Practice for Official Statistics edition 2.0 (February 2018) published by the UK statistics authority
FoIA	means the Freedom of Information Act 2000
UK GDPR	means UK - General Data Protection Regulation (EU 2016/679), as retained in UK law and tailored by the Data Protection Act 2018

Signatory Details

The following are the agreement owners (herein: Partners) for this document:

BEIS Agreement Owner	
Name	[redacted]
Role	Programme Director, Social Housing Decarbonisation Fund
Email	[redacted]

The Authority Agreement Owner	
Name	Gavin Haynes
Role	Director of Property Management
Email	Gavin.Haynes@camden.gov.uk

Introduction

1. This Data Sharing Agreement (herein: DSA) sets out an agreement between the Partners, which consists of London Borough of Camden (herein: the Authority) and the Secretary of State from the Department for Business, Energy & Industrial Strategy (herein: BEIS), on how data will be shared in relation to Wave 1 of the Social Housing Decarbonisation Fund (herein: SHDF – Wave 1).

2. The Social Housing Decarbonisation Fund (herein: SHDF) is a 2019 Conservative Manifesto commitment for a £3.8bn fund set up over a 10-year period to improve the energy performance of social rented homes, on the pathway to Net Zero 2050. The SHDF will upgrade a significant amount of social housing stock currently below, and on an 'infill' based at or above, EPC Band C up to that standard; delivering warm, energy efficient homes, reducing carbon emissions and fuel bills, tackling fuel poverty, and supporting green jobs.

3. The SHDF will be delivered through a series of individual projects (herein: Waves). The first wave of the programme (SHDF - Wave 1) will provide around £179m to England only projects to support Registered Providers of Social Housing, including Private and Local Authority Providers, to improve the energy performance of their social housing stock by installing Eligible Measures. The approximately £179m of funding is to be awarded in FY2021/22 and delivered through to March 2023.

4. We expect the SHDF to result in the following outcomes:

- **Fuel Poverty**: Reduce the numbers in Fuel Poverty by improving the energy efficiency rating of social homes below EPC Band C and reducing energy bills. On this basis, tenant energy bills should not increase for equivalent home warmth, and it is expected that bills will reduce.
- **Carbon:** Deliver cost effective carbon savings to contribute to carbon budgets, and progress towards the UK's target for Net Zero by 2050 by reducing CO2 emissions from Social Housing.
- **Green Economy**: Support economic resilience and a green recovery in response to the economic impacts of Covid-19, supporting thousands of jobs.
- **Tenants:** Improve the comfort, health, and well-being of Social Housing tenants by delivering warmer and more energy-efficient homes.

5. Under the Memorandum of Understanding (herein: MoU), the Authority agreed to:
    a. Put a system in place to **collect data**, as set out in the MoU, for performance reporting, research, and evaluation purposes (herein: the Data).
    b. Ensure the Data is collated**, quality assured** and **shared with BEIS** in such a way as to meet the required reporting periods and date standards set out in the MoU.
6. Additionally, under the MoU, the Authority agreed to collect the Data in a way that:
    a. Allows it to be shared with BEIS, in accordance with the principles set out in this Data Sharing Agreement and as referenced in the Monitoring, Evaluation and Audit section of the MoU.
    b. Allows BEIS to share it with any of its research or evaluation service providers.
    c. Allows BEIS to use it for research and statistical purposes (this does not include publishing the information in a way that identifies individual households) provided always that BEIS complies with the provisions of the Data Protection Act 2018 and UK GDPR.
    d. Allows BEIS to keep names and contact details of the Authority and its delivery partners on file for use in the in-house CRM system to enable better relationship management (see the BEIS privacy notice, as published

on the SHDF Wave 1 webpage on gov.uk alongside the Wave 1 competition documents).

7. This **DSA documents the lawful basis for this data sharing initiative**, what information will be shared and how. The Partners have entered into this DSA to demonstrate that data protection and privacy requirements have been taken into account, to set out how use of information meets the data protection principles under UK General Data Protection Regulation (herein: UK GDPR), as defined in Section 3(10) of the Data Protection Act 2018 (herein: DPA 2018), and how the rights of data subjects are protected.

8. This DSA is not a contract and is **not legally binding**. It does not create a legal power for either Partner to lawfully exchange and process personal information, and it does not provide indemnity from action under any law. It does not remove or reduce the legal obligations or responsibilities on any Partner.

9. **The Partners enter this DSA intending to honour all provisions outlined within**.

10. This is a new DSA that relates to the collection and processing of data created as a result of the SHDF - Wave 1. This DSA will commence when it has been signed by all Partners and will terminate on **31st March 2025**.

Principle 1 - Lawfulness, fairness & transparency

11. The contact details of delivery teams and property information are personal data, as individuals may be personally identifiable. BEIS requires this data to monitor, facilitate and support the delivery of SHDF – Wave 1, to perform a task in the public interest. Aggregated delivery data shared will also support statistical reporting and evaluation of the SHDF – Wave 1 and the overarching SHDF programme, to provide accountability in the use of public funds. As such, both are necessary to share with BEIS on the legal basis of **public task**, as defined under Article 6(1) of UK GDPR.

12. BEIS also request the personal data of delivery teams, installers and tenants for evaluation research purposes. This research enables BEIS to report the effectiveness of SHDF – Wave 1. It enables BEIS to evaluate whether SHDF – Wave 1 has delivered value-for-money, realised its intended benefits and inform future policymaking in the fields of energy efficiency, fuel poverty and health. This personal data should only be shared with BEIS for evaluation purposes on a **consent basis.**

13. BEIS' data sharing with Partners under this DSA does not involve the processing of personal data relating to criminal convictions, offences or related security measures, nor does it involve the processing of Special Category data.

Data to be shared

14. The Authority has agreed to provide BEIS with the data as described below and set out in the relevant paragraphs, sections and or annexes within the MoU:

    a. SHDF – Wave 1 **project performance data** (herein: Performance Data), as defined by the Governance section (paragraphs 54 to 63), Performance section (paragraphs 79 to 88) and Annex 7 of the MoU. Perproperty information may be personally identifiable, and as such be categorised as personal data. This data includes but is not limited to:

        i. An overview of monthly progress on the project. ii. An update of the Authority's progress against Key Performance Indicators (KPIs) and project milestones iii. Top risks, issues and or concerns that could impact the project iv. Any incidents of fraud.

        v. Specific per property information, including but not limited to requirements outlined in Annex 7 of the MoU.

        vi. Any other items the Authority wishes to escalate to BEIS.

    b. SHDF – Wave 1 **monitoring and evaluation data** (herein: M&E Data), as covered by the Monitoring, Evaluation & Audit section (paragraph 89) of the MoU. This data may contain personal information data as defined by UK GDPR. This data includes but is not limited to:

        i. Qualitative and or quantitative data obtained through the **delivery team's participation in research** led by an evaluation partner appointed by BEIS. This research will ensure that wider insights can be provided on the experience of delivering SHDF – Wave 1. BEIS will confirm plans for delivery team participation in the evaluation research during the spring of 2022.

        ii. Contact details and consent of **households** and **installers** engaged in the scheme to be contacted for feedback on the scheme. iii. **Data from households** receiving measures and installers delivering them, as set out in Annex 7 of the MoU, including but not limited to installation data, household engagement data, installer data and project delivery data.

15. The data provided by the Authority maybe linked to and or compared against other existing datasets or models within BEIS for compliance, evaluation, and performance reporting purposes.

How data will be shared

16. BEIS will provide a system for projects to securely transfer the Data they have collected under this DSA to share with BEIS. Diagrams visualising the data sharing process are available in *Appendices B-D – BEIS' Data Sharing Process* of this DSA.

17. The Authority is responsible for ensuring there is a system in place to securely collect and store this Data. This system must include data supplied from other participating local authorities, housing associations, or partners where they are forming a Consortium. It must also put measures in place to ensure consent for data subjects to enable data sharing on this legal basis.

18. The Authority, or its appointed third party, will share this data with the SHDF – Wave 1 Project Team via a password-protected report, for example using Egress, a secure file transfer protocol and or restricted folders on SharePoint, or through an alternative data collection system that has been approved by the SHDF – Wave 1 Project Team and the BEIS Chief Information Security Officer (CISO) as being suitable for the transfer and storage of personal data.

19. Data sharing under this DSA will be shared from execution and up to 31st March 2025 to enable the successful delivery of scheme evaluation activity.

20. BEIS will share the contact details of the Authority's delivery team with its SHDF delivery partners, such as the SHDF Wave 1 – Scheme Administrator (Ricardo), as necessary to deliver BEIS' energy efficiency schemes.

21. BEIS will share M&E Data with its SHDF research, evaluation partners as appropriate. There are also circumstances under which BEIS may share M&E Data with other Government Departments. These circumstances are detailed further below in paragraphs 45-50, under *Principle 2 – Purpose Limitation*.

22. Where BEIS decides to share personal data received under this DSA, it will ensure the data transfer is performed using a method approved by the BEIS Chief Information Security Officer (CISO), the preferred mechanism being restricted areas on MS Egress.

23. At all times, BEIS and the Authority will ensure all personal data shared under this DSA is stored in restricted folders held on restricted access secure servers.

24. Further information about the safekeeping of the data is set out further below under *Principle 6 – Integrity & Confidentiality*.

Legal gateways

25. The Partners of this DSA share Performance Data and the personal data of the delivery team on the legal basis of **public task,** as defined by Article 6(1)(e) of UK GDPR. It is necessary for the performance of a task carried out in the public interest. This does not require consent.

26. The Partners of this DSA process and share the M&E Data on a **consent basis only**, as outlined by Article 6(1)(a) of UK GDPR.

27. Specifically, the data sharing and or processing is required in order to:

a. Enable BEIS to evaluate the effectiveness of existing and future policies
b. Support BEIS's functions and departmental responsibilities relating to carbon reduction and Net Zero as defined by the Climate Change Act (2008).
c. Enable the Partners to carry out their responsibilities as regards to effectively managing the spending of public funding, including but not limited to BEIS reviewing how and where SHDF – Wave 1 funding has been spent and assessing whether this expenditure has enabled it to meet its objectives under the scheme.
d.

28. *Principle 2 – Purpose Limitations* provides further information for which processing of data under this DSA is needed.

Data controller relationship

29. The Authority and BEIS act as **joint data controllers** for personal data covered by this DSA. This includes when they collect data, are in receipt of it or share the data with others.

30. For all other personal data shared under this DSA, **the Authority and BEIS act as independent controllers**, and becomes an independent controller of that personal data on receipt of it. BEIS' limitations on onward disclosures in data processing are covered under *Forward Use - Onward Disclosure*, paragraphs 4550 of this DSA.

Transparency

31. The Authority accepts responsibility for ensuring that **both BEIS' Privacy Notice and their own Privacy Notice** are provided to all households, installers and,

where applicable, Consortium Members in compliance with the DPA 2018 and UK GDPR.

32. The Authority will ensure that their Privacy information includes content that alerts the data subject to the fact that their personal data will be passed from **to the Authority** and then **from the Authority to BEIS**.

33. Furthermore, the privacy information will inform the data subject that their data might be used either in full or in part by BEIS for:

    a. The management and delivery of the scheme.
    b. Evaluation, auditing, research, statistical and fraud prevention purposes; Or
    c. Be linked to other data sources held by BEIS, other Government Departments, contractors appointed by BEIS and or other third parties for any of these reasons aforementioned.
    d. With their consent, be used by a third-party to invite them to participate in research about their experiences with the project.

34. BEIS have provided the Authority with BEIS' SHDF Privacy Notice, as published on the SHDF Wave 1 webpage on gov.uk alongside the Wave 1 competition documents. **The Authority is ultimately responsible for ensuring that all households, installers, and Consortium Members are provided with this BEIS privacy notice**.

35. The Authority must also ensure data subjects are informed of any of their own or their consortia organisations' processing of personal data, **via their own Privacy Notice**. The Authority may use the template Privacy Notice provided as guidance (see Appendix F of this DSA) or their own version. If the Authority decides to use their own version, they must ensure that it includes the information mentioned under paragraphs 31 to 33 of this DSA.

36. By agreeing to this DSA and the MoU, the Authority accepts responsibility **for seeking valid consent**, as defined by Article 4(11) of UK GDPR, from households, installers, and Consortium Members to be recontacted for the purposes of evaluation of SHDF – Wave 1 and, where appropriate, any further research and evaluation therein. A consent form is provided in Appendix G of this DSA and should be used by the Authority to seek consent.

37. The Authority will **maintain records of informed consent** and share Data with BEIS **in accordance with their data reporting requirements**. These requirements are set out under the Governance section (paragraphs 54 to 63), Performance section (paragraphs 79 to 88), Monitoring, Evaluation and Audit section (paragraph 89) and Annex 7 of the MoU. The exact data items and formats requested are detailed under *Appendix E – List of Data Items to be Shared with BEIS*.

38. If a data subject informs either Partner and or its service providers, where applicable, that they are withdrawing consent, the Partner is responsible for communicating the withdrawal of consent to the other Partner. In this scenario, BEIS will be responsible for ensuring the data subject is no longer contacted by BEIS and or its service providers, for the purpose of evaluation of SHDF – Wave 1 and related further research and evaluation.

39. Where consent has been withdrawn by the data subject, BEIS will seek to cease contact with the data subject as soon as reasonably practicable.

40. BEIS and the Authority, as part of their ongoing requirements to comply with UK GDPR or its successor legislation, where applicable, will keep their Privacy Notices under ongoing review. Where legislative changes are made, BEIS and the Authority will communicate these to the data subject's rights are maintained and complied with.

Principle 2 – Purpose Limitation

41. The Authority will, where necessary, disclose personal data to BEIS as part of its data reporting requirements, as set out in the MoU and this DSA. The primary purposes for sharing and processing this data are to support:

    a. The administration of SHDF – Wave 1.
    b. An assessment of whether SHDF – Wave 1 has achieved its objectives.
    c. BEIS to effectively publish statistical reports relating to SHDF – Wave 1.
    d. An evaluation of SHDF – Wave 1 and any associated home energy or carbon reduction policies, where applicable.
    e. Effective management of fraud and non-compliance under SHDF – Wave 1.

42. Additionally, BEIS may use all or some of the data shared by the Authority:

    a. To review and develop existing or future Government policy.
    b. For research, evaluation, and statistical purposes.

43. Where BEIS uses all or some of the data for research, evaluation, and statistical purposes this may be linked with data from other data sources held by BEIS or other Government Departments.

44. The analysis and research expected to be undertaken may include, but is not limited to:

    a. Analysing whether the presence of measures installed under SHDF – Wave 1 has led to a significant change in energy consumption. This may be done

by comparing SHDF – Wave 1 measures data to other databases, including but not limited to: the National Energy Efficiency Database, Cavity Insulation Guarantee Agency and or other related similar operational databases.

b. Linking and or comparing the SHDF – Wave 1 data to other datasets from other BEIS or HM Government administered energy efficient programmes to enable BEIS to assess the following without double counting properties:
    i. Progress against fuel poverty targets. ii. Insulation levels for the overall housing stock in Great Britain, and impact on remaining potential for cavity wall, solid wall, and loft insulation.
    iii. The characteristics of recipient (e.g., location, property type, tenure, and vulnerability group) to inform future policy making.
c. Address matching SHDF – Wave 1 installations through the National Energy Efficiency Data-Framework to maintain a central database of property characteristics, household characteristic, energy consumption and or Energy Performance Certificates (EPCs).

Further use and onward disclosure

45. To deliver SHDF, BEIS may need to share the Data with the SHDF – Wave 1 Scheme Administrator (Ricardo). Ricardo will be subject to UK GDPR compliance via commercial contract clauses, and only permitted to process personal data to execute a public task on BEIS' behalf.

46. To effectively audit and manage SHDF – Wave 1 and other Government schemes, BEIS may need to share SHDF – Wave 1 data with delivery partners of other current or future energy efficiency or low carbon heating government support schemes. This is to ensure that SHDF – Wave 1 funded installations are not already or subsequently subsidised under other Government schemes.

47. Where BEIS needs to share SHDF – Wave 1 data with delivery partners of current or future energy efficiency or low carbon heating government support schemes, BEIS will seek to use primarily anonymised or pseudonymised data to limit the use of personal data. Where this data sharing is necessary BEIS will put a data sharing agreement in place with the relevant delivery partner to support the sharing of the data.

48. BEIS will share SHDF – Wave 1 data with its third-party monitoring and evaluation contractor to support the delivery of research, evaluation, and auditing activities. This will be primarily to confirm that projects under SHDF – Wave 1 are complying with the scheme's guidance and objectives. BEIS will put in place a DSA with its monitoring and evaluation contractor to support the sharing of data for this purpose.

49. Items included within onward disclosures **are limited** to those already outlined in this DSA (*Appendix E – List of Data Items to be Shared with BEIS*).

50. At all times, **BEIS will comply with the 'data minimisation' principle** set out in this DSA, in accordance with Article 5(1)(c) of UK GDPR. Wherever possible, BEIS will use aggregated, pseudonymised or anonymised data to limit onward disclosure of personal data. Where onward disclosure is required, BEIS will ensure that there is a DSA or contract in place to outline the legal basis for sharing the data, and that any onward disclosure of data is restricted to only the data that is required by the third party to support the purpose for which the data is being shared.

Principle 3 – Data minimisation

51. By agreeing to this DSA, each Partner confirms that the data being shared under this agreement is the minimum amount of personal data that is necessary to achieve the purposes for which it is being shared, as outlined by Article 5(1)(c) of UK GDPR.

Principle 4 – Accuracy

52. In accordance with the Governance section (paragraphs 54 to 63), Performance section (paragraphs 79 to 88), Monitoring, Evaluation and Audit section (paragraph 89) of the MoU, the Authority agrees to carrying out a series of **quality assurance checks** on the Data it generates.

53. These accuracy checks will include:

    a. Checks to ensure that the installation data is for an eligible household and that the installer meets the necessary standards (either through Trustmark or an alternative) as part of the grant award.
    b. Data completeness checks to ensure that all mandatory and required data fields are completed in any data return sent to BEIS.
    c. Data validation checks, such as, checking field formats (e.g., a date field is in a date format) or that an entry is valid (e.g., a postcode is alphanumeric) before returning any data sent to BEIS.

54. BEIS will also conduct checks on the Data it receives from the Authority to identify any reporting errors, double counting, or ineligible households and or installers. The processes for these are outlined in *Appendices B and C* to this DSA.

55. If, after the Data has been either passed from the Authority to BEIS, or from BEIS to the Authority, either Partner identifies an error in that information then the following process should be undertaken to correct the error:

a. The Partner that identifies the error should, as soon as reasonably practicable but within a period exceeding that of five working days, alert the other Partner to the error.
b. The Authority will then liaise with the relevant delivery partner, installer, or Consortium Member, where appliable, to clarify and correct the data; And
c. Promptly notify BEIS of any correction to the data required.

Principle 5 – Storage limitation

56. **BEIS will retain personal data until 31st March 2025** for the purposes outlined in this DSA. The remaining project data is not subject to a specified retention period since it does not contain personal data

57. In line with the storage limitation principle outlined under Article 5(1)(e) of UK GDPR BEIS will review the data it holds at regular periods to ensure that personal data is only retained for as long as it is needed up to 31st March 2025.

58. The Authority will retain any personal data created or collected, for reporting purposes under SHDF – Wave 1, in accordance with its own retention and disposal policies.

59. All Partners will destroy or delete all personal data at the end of the relevant retention periods using a process that is in line with their data destruction processes.

60. In order to achieve the purposes outlined under *Principle 2 – Purpose Limitation*, identifiable personal data, rather than anonymised or pseudonymised data is required to be processed by the designated BEIS Teams outlined in paragraph 62 of this DSA. As outlined by paragraph 64 of this DSA, non-designated BEIS Teams will only have access to anonymised data.

Principle 6 – Integrity and confidentiality

61. The following information security measures will be put in place by BEIS and the Authority to ensure the safekeeping of the data shared under this DSA, including, and with particular reference to, personal data. The Partners agree to work and comply with their respective information assurance and data protection policies, while following the security measures outlined below.

62. BEIS will hold SHDF – Wave 1 monitoring and evaluation data in a secure SharePoint folder with access controls or on a dedicated analyst server (CBAS) that limit access to those on the SHDF – Wave 1 data access list. Only designated BEIS Team and nominated third parties will be able to access this data.

63. By agreeing to this DSA, BEIS acknowledges and agrees that:

a. The designated BEIS Teams will be named in an internally held SHDF – Wave 1 access list and kept to a reasonable minimum.
b. It will maintain the SHDF – Wave 1 access list and share it with the Authority as requested on request.
c. BEIS will require that the mandatory annual UK GDPR eLearning training, or its successor where applicable, is completed by all staff, including personnel named on the access list.

64. Non-designated teams within BEIS may use an anonymised version of the SHDF – Wave 1 M&E data, that excludes address, and any record-level identifies, for internal analysis only. BEIS will only publish aggregate results that meet the requirements of Principle T6.4 of the Code of Practice for Official Statistics on confidentiality.

65. Generally, the underlying data will not be published by BEIS, however, in order to comply with the Government Social Research Publication Protocol, BEIS may publish datasets resulting from M&E Data. The publication of this data may require inclusion of data extracted from the M&E data, however, publication in this instance would only be conducted where the data could be fully anonymised and complies with Principle T6.4 of the Code of Practice for Official Statistics on confidentiality.

66. [redacted]**, the Programme Director for SHDF (or successor)** has been appointed as the BEIS Information Asset Owner of the SHDF – Wave 1 monitoring and evaluation data and, as such, is ultimately responsible for the security of the data provided by the Authority.

67. Gavin Haynes, Director of Property Services

(or successor) has been appointed as the Authority's Information Asset Owner of the SHDF – Wave 1 monitoring and evaluation data and, as such, is ultimately responsible for the security of the personal data provided to BEIS under this DSA.

68. All Partners confirm that, as a minimum, they have considered the risks of the accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to any personal data processed under this DSA and have arrangements in place to manage or mitigate these risks accordingly.

Principle 7 – Accountability

69. BEIS confirms that it can demonstrate compliance with the data protection principles outlined in this DSA, the DPA 2018 and UK GDPR. BEIS has completed a Data Protection Impact Assessment (DPIA) outlining how it will process data under this DSA. This DPIA is available on request. BEIS demonstrates UK GDPR compliance to data subjects in the information provided on the BEIS SHDF Privacy Notice. All BEIS staff are required to complete annual training in UK GDPR. All BEIS staff on the access list for data shared under this DSA will attend a briefing on handling datasets shared under SHDF - Wave 1.

70. BEIS confirms that the processing of the Performance Data and M&E Data covered in this DSA will be added to BEIS's existing central record of processing.

71. The Authority confirms that it can demonstrate compliance with the data protection principles outlined in this DSA, the DPA 2018 and UK GDPR. The Authority demonstrates GDPR compliance by:

Completing a DPIA Pre Screen, in addition the Authority / London Borough of Camden have a have a suite of internal data protection policies and procedures that show good robust management and oversight. The Authority / London Borough of Camden also holds NHS DSP toolkit accreditation.

72. The Authority confirms that the processing of personal data covered in this DSA will:

be added to our Record of Processing Activities, and will be in accordance with data protection laws and the Council's own internal policies and procedures.

Rights of data subjects

73. The rights of data subjects are set out in the following table:

Right to under UK GDPR:	Applies?	If yes, are any additional actions required. If no, why this right does not apply.
Transparent information (Article 12)	Y	The Authority takes responsibility for ensuring that appropriate fair processing and privacy notices are provided to data subjects.
Information when data collected from data subject (Article 13)	Y	The Authority takes responsibility for ensuring that appropriate fair processing and privacy notices are provided to data subjects.
Information when data collected from elsewhere (Article 14)	Y	The Authority takes responsibility for ensuring that appropriate fair processing and privacy notices are provided to data subjects, either by itself or by the relevant participating Consortium Members or installer.
Access by data subject (Article 15)	Y	Where either Partner receives a data access request from a data subject, this will be actioned in line with the relevant Partner's existing policies for handling such requests.
Rectification (Article 16)	Y	Where a Partner receives a rectification request from a data subject, this will be communicated to the other Partner within 5 working days. Where this request results in concluding there is an error in the original data, this will be notified to the other Partner within 5 working days.
Erasure (Article 17)	Y	Where a Partner receives an erasure request from a data subject, this will be communicated to the other Partner within 5 working days. The eligibility of each erasure request will be reviewed by each Partner in line with article 17 of the UK GDPR and a decision made regarding the nature of the processing undertaken by that Partner.
Restriction of processing (Article 18)	Y	Data subjects may request a restriction of processing of their data, but their request may be
		refused if it would prevent the administration and auditing of the scheme and processing for fraud prevention. Where a Partner receives a restriction of processing request from a data subject, this will be communicated to the other Partner within 5 working days.
Notification regarding rectification, erasure, or restriction (Article 19)	Y	BEIS will notify any parties with whom it has shared the data within 5 working days of an action being taken under a request for rectification, erasure, or restriction, unless this proves impossible or involves disproportionate effort.

Data portability (Article 20)	N	The personal data processed by BEIS under this DSA is not provided by the data subject to BEIS and is not processed by BEIS on the basis of consent (other than for re-contact purposes) or for the performance of a contract.
Object to processing (Article 21)	Y	Data subjects may object to the processing of their data, but the request may be refused if it would prevent the administration and auditing of the scheme and use of the data for fraud prevention and/or statistical purposes. Data subjects will be notified of their right to object via the fair processing and privacy notices mentioned above in relation to articles 12, 13 and 14 of the UK GDPR and for which the Authority takes responsibility. Where a Partner receives an Object to Processing request from a data subject, this will be communicated to the other Partner within 5 working days.
Automated decisionmaking and profiling (Article 22)	N	It is not expected that automated decisionmaking or profiling will be required under this DSA.

Governance and administration

Data Protection Impact Assessments

74. BEIS has completed a Data Protection Impact Assessment (herein: DPIA) for the processing that it will undertake in relation to this DSA. The DPIA considers BEIS' processing activities including the analysis and publication of data for statistical reasons and the sharing of data with its third-party contractors and delivery partners of relevant schemes. The DPIA is available upon request.

75. For this project, the Authority / London Borough of Camden has completed a DPIA Pre Screen 'first stage risk assessment' which showed this project as 'low risk'. A full DPIA was deemed not necessary, as the requirements for it have not been met.

Offshoring

76. It is not expected that any processing under this DSA will involve processing from any third countries.

Data processors and sub-processing

77. BEIS may share personal data with its third-party contractors, to support the monitoring, evaluation and auditing of SHDF – Wave 1 as well as for statistical, research and fraud prevention purposes. **BEIS remain the controller in all instances of sharing data with its third-party contractors** and the third-party contractors will be **processors**.

78. BEIS may share personal data with other scheme delivery partners or other Government Departments to prevent the duplication of support under other government schemes that may breach scheme rules or help to prevent fraud. In this scenario, BEIS and the scheme delivery partners, or other Government Departments would **both be the controllers** for the personal data. Where this data sharing is necessary, BEIS will put a data sharing agreement in place with the relevant delivery partner to support the sharing of the data.

79. The use of any new data processors by a Partner for processing covered by this Agreement will be notified to the other Partners, and follow the procedures noted in paragraphs 45-50 of this DSA.

Consultation

80. BEIS have consulted with the BEIS Data Protection Officer in the process of completing a DPIA. Data subjects will not be consulted before the processing covered by this DSA commences, however, data subjects will be notified of the data processing as per paragraph 73.

81. The Authority / London Borough of Camden Information Rights Team has deemed that consultation with the data subjects will not be necessary, full details about the project, and privacy notice will be available on the London Borough Camden website.

Automated decision making and profiling

82. It is not expected that any automated decision making, or profiling will be undertaken by BEIS with any data collected under this DSA.

Necessity and proportionality

83. BEIS has completed a DPIA regarding the processing covered by this DSA, this included a consideration of necessity and proportionality. The proposed processing was deemed as necessary and proportionate.

Freedom of Information requests

84. Partners subject to the requirements of the Freedom of Information Act 2000 or the Environmental Information Regulations 2006, will assist and cooperate with each other, to enable each to comply with its information disclosure obligations.

85. Where a Freedom of Information request or the Environmental Information Regulations 2006 is received by a Partner to this agreement, which relates to data that has been provided by another Partner, the Partner receiving the request will take reasonable steps, where appropriate, to give the other Partner advance notice to allow it the opportunity to make representations on the potential impact of disclosure, or failing that, to draw the disclosure to the other Partner's attention after any such disclosure.

86. Each Partner shall be responsible for determining in its absolute discretion and notwithstanding any other provision in this DSA or any other agreement whether any information is exempt from disclosure in accordance with the provisions of the Freedom of Information Act or the Environmental Information Regulations 2006.

Personal data breaches

87. The Partners will follow their own internal processes on the discovery of a personal data breach and advise their own security teams.

88. In addition, they will notify other Partners of any personal data breach that relates to this DSA, via direct contact with the project leads named in *Appendix H – Key Contact Details* of this DSA within 72 hours of discovering the personal data breach.

89. In the event of a personal data breach (or where there is reasonable cause to believe that such an incident may arise), the Partners will delay data transfers until the cause or incident is resolved, as authorised by the signatories to this

agreement. If the breach cannot be resolved or if - in the view of the Partners - it is very serious, data transfers will stop and will not resume until the signatories to this agreement are satisfied with the security arrangements.

90. Any Partner who decides that a personal data breach that affects, or is relevant to, the processing under this Agreement must be self-reported to the ICO and shall ensure that the other Partners are notified of this.

Dispute resolution

91. Disputes between the Partners regarding the operation of this agreement will be resolved in the following way:

a. In the first instance a material breach will be reported between the project leads on each side, named in Appendix H of this DSA. An assessment by the breaching party will be conducted promptly to identify if the breach is ongoing or was a oneoff, and the potential impact of the breach.
b. All material breaches will be notified to the Data Protection Officers in BEIS and the Data Protection Officers within the Authority. The outcomes of the assessment conducted by the project leads on each side, named in Appendix H of this DSA, will be discussed and actions identified.

Review

92. Scheduled formal reviews of this DSA are not expected to take place to assess the ongoing effectiveness of this data sharing initiative and this DSA. This DSA will only be reviewed if the purpose of the processing changes, or the processing otherwise changes in a way that affects the rights of data subjects.

Termination

93. The terms and conditions of this DSA will apply until the 31st March 2025. In the event of termination of the MoU, personal data will cease to be shared under the terms of this DSA.

94. Any Partner can terminate this DSA, without giving a reason, on expiry of one (1) month's written notice to the others. Termination of the notice would trigger a formal review of the SHDF – Wave 1 grant funding provided to the Authority.

95. Any Partner can terminate this DSA with immediate effect, where another Partner breaches any of its obligations to this DSA. Termination notices should be addressed to the Information Asset Owners at BEIS and the Authority.

Press enquires

96. Press and media enquiries should be directed by email at: SHDF.Enquiries@beis.gov.uk.

Appendix A – Summary of Processing

Description	Details
Subject matter of the processing	The processing relates to the delivery of the SHDF – Wave 1 scheme.
Duration of the processing	Processing will commence on and from the date on which this DSA is signed by, or on behalf of, both Partners. Personal data will be retained only for as long as it is needed and, in any case, up to 31st March 2025.
Nature and purposes of the processing	The Authority will ensure that personal data relating to delivery of the SHDF – Wave 1 scheme is shared with BEIS. BEIS will process the data, including matching it with other datasets and onward sharing with other parties, to effectively manage and review the use of public funds and to support further research, evaluation, and statistical reporting.

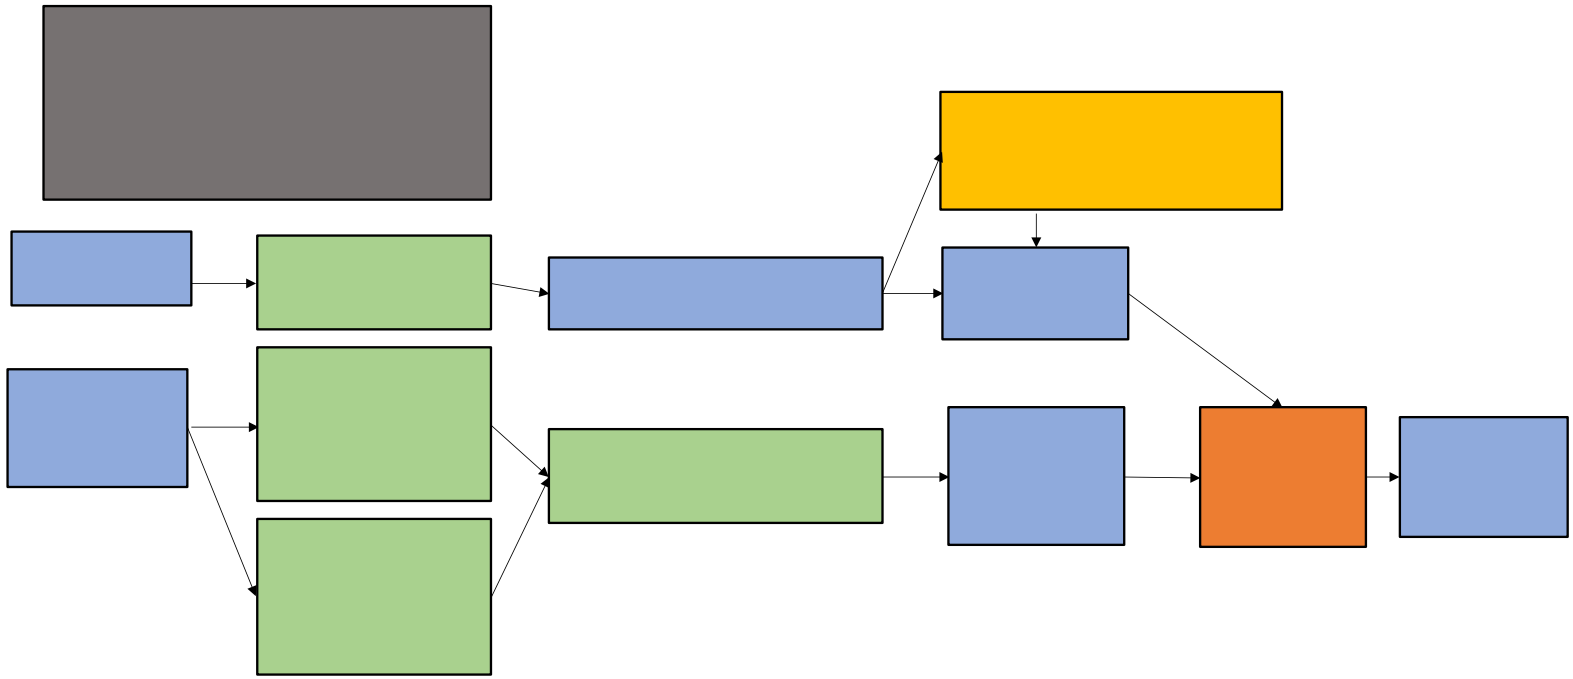

Type of Personal Data that will be processed	The delivery of the SHDF – Wave 1 scheme is expected to reach over 15,000 properties, from these properties it is expected that the Authority and/or Monitoring & Evaluation Contractor will collect personal data including (but not limited to): Professional contact details of key staff in the Authority's project team Name, address, phone, email of the property owner Details of the property and installation undertaken Details and contact information of the installer
Categories of Data Subject	Authorities and consortia leading SHDF– Wave 1 projects Residents of properties eligible for the SHDF– Wave 1 scheme Installers of home retrofits under SHDF – Wave 1 scheme Third parties providing additional funding for SHDF – Wave 1 Third parties involved in the retrofit supply chain
Special Category Data	The data collected and shared under this DSA does not constitute Special Category data or criminalorientated data (Article 10 of the UK GDPR)

Appendix B – Performance Data Sharing Diagram

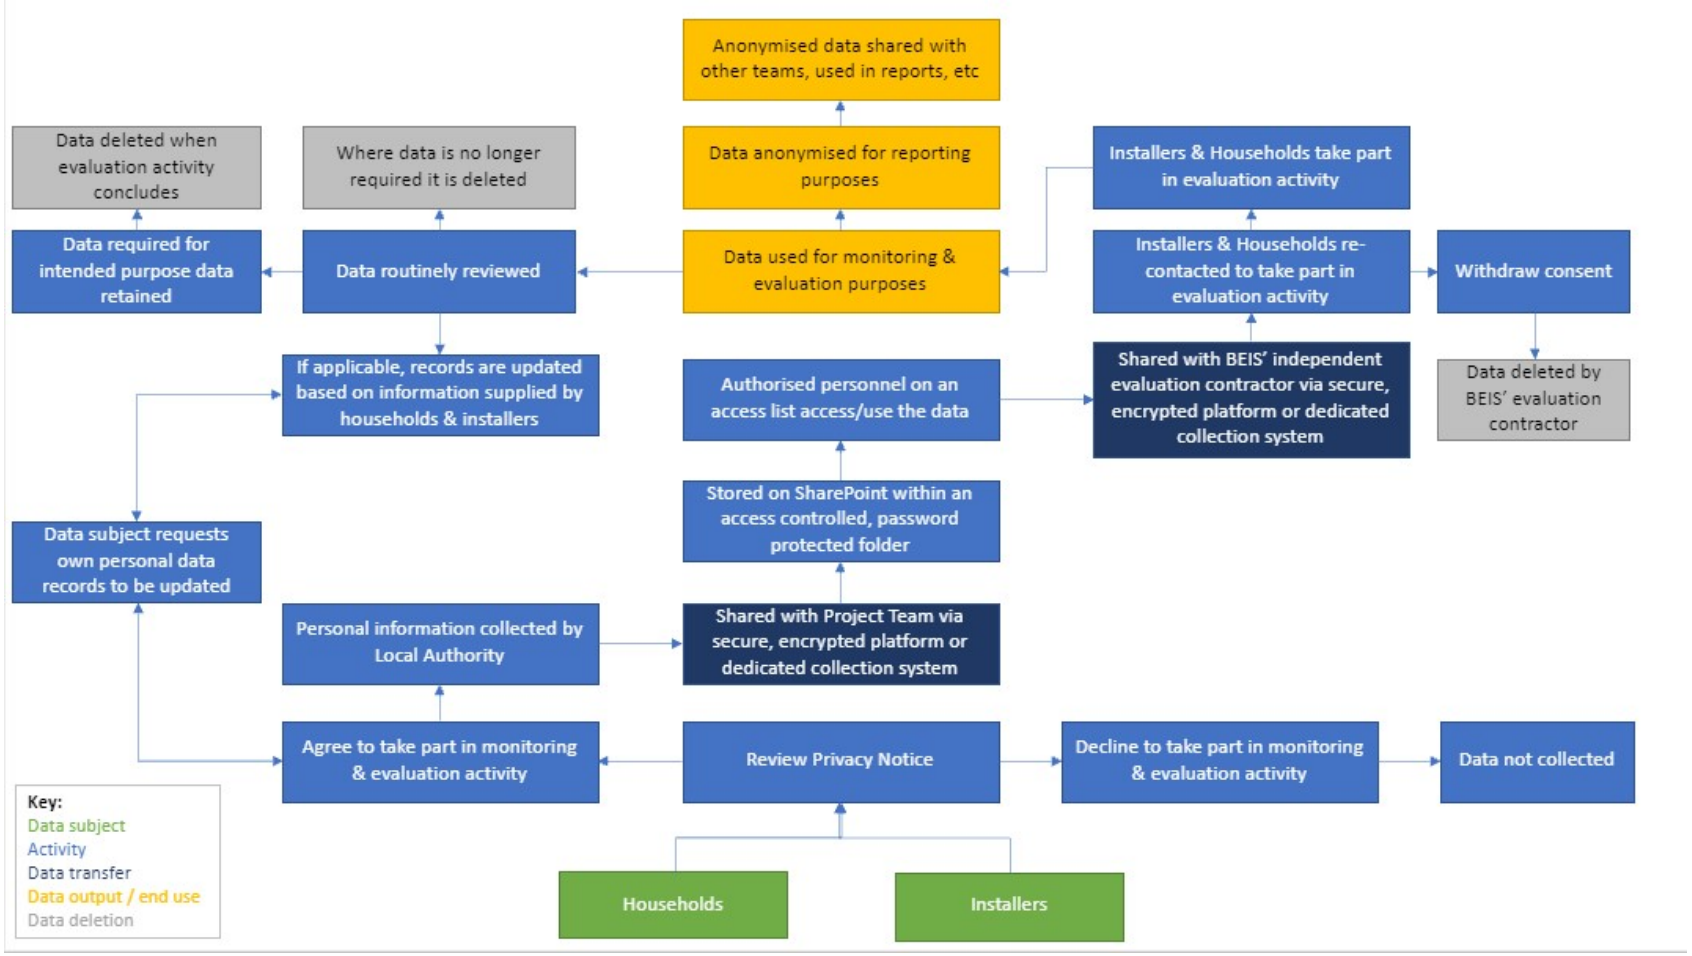

Please note: BEIS are trialling a new DMS. Aspects of this are subject to change.

Appendix C – Personal Data Sharing Diagram

Please note: BEIS are trialling a new DMS. Aspects of this are subject to change.

Appendix D – Personal Data Journey

Please note: BEIS has yet to appoint an evaluation contractor to finalise the design of the M&E framework for SHDF – Wave 1. Aspects of this are subject to change.

Appendix E – List of Data Items to be Shared with BEIS

SHDF – Wave 1 Data Collection	Data Type	Definition
Project Summary - Monthly		
Name of Lead LA	Text	Name of Lead Local Authority, whether it is a consortium application and if so all other Registered Providers of Social Housing involved in the application.
Summary of status	Drop-down	Please provide a RAG rating on how the project is performing
Activities this period	Text	Describe the current state of play of the project. Outline activities undergone by the LA during this reporting period
Plan for next period	Text	Outline what activities are planned for the next reporting period
Estimated Project Completion date	Date	Insert when you estimate the project will be complete.
Date at which project team was appointed	Date	MS1 - Insert the date when the full project team was appointed
PAS2035 Risk Assessment stage completion date	Date	MS2 - When did all your projects complete the PAS2035 risk assessment stage
PAS2035 Dwelling Assessment stage completion date	Date	MS3 - When did all your projects complete the PAS2035 dwelling assessment stage
Design & Coordination completion date	Date	MS4 - When did all your projects complete the design and coordination stage
Procurement activity stage completion date	Date	MS5 - When did all your projects complete their procurement activity
Installation stage started	Date	MS6 - Insert the date that installation started
Installation stage completed	Date	MS7 - Insert the date that all your projects finished installing their measures

Handover and Lodgement Stage completed	Date	MS8 - Insert the date that all your projects finished the handover and lodgement stage
Top 5 Risks	Text	Risks descriptions, category, mitigation, RAG of the top 5 risks
Instances of Fraud	Text	Instances, mitigation, RAG
Total Number of Installers	Number	Provide the total number of installers cumulatively that have worked on the project
Total Number of Apprentices	Number	Provide the total number of apprentices cumulatively that have worked on the project

Performance Monitoring - Monthly		
% of Project Team Appointed	%	Outline the percentages of the project team that has been appointed, including the Retrofit Coordinator
PAS 2035 Risk Assessment Completed	Number	KPI1 - Outline the number of homes that have passed the PAS2035 Risk Assessment stage
PAS 2035 Dwelling Assessment	Number	KPI2 - Outline the number of homes that have passed the PAS2035 Dwelling Assessment stage
Design & coordination stage	Number	KPI3 - Outline the number of homes that have passed the Design & Coordination stage
Procurement Activity Completed	%	Outline the percentage of procurement activity completed to deliver all the projects being funded
Number of completed properties	Number	Outline the number of homes that have had measures installed
Handover & Data Lodgement Completed	Number	Outline the number of homes that have passed the Handover & Data Lodgement stage
Privacy notices issued to tenants	Number	KPI4 - Outline the total amount of privacy notices issued to tenants
Privacy notices issued to installers	Number	KPI4 - Outline the total amount of privacy notices issued to installers
Ancillary and Admin costs	£	KPI 6 - This is the value spent within your allocated A&A budget
Capital costs	£	KPI 6 - This is the value spent from your grant excluding your A&A costs
Property Details – Frequency TBC		
Unique Property Reference Number	Number	Please input the properties UPRN

Total spend this month	£	KPI 6 - How much funding (received from BEIS), for this project, has been spent this month. This should not include any other sources of funding such as co-funding contributions.

First line of address	Text	Please input the first line of address for this property
Town	Text	Please input the town for this property
Postcode	Text	Please input the postcode of this property
Fuel Poor Household	Yes/No	Answer yes, if the household income less than 60% of the median
Property Type	Drop-down	Provide the type of premises the measure was installed to.
Property Year Built	Date	Provide the year the property was built in, to aid with broader understanding of the energy efficiency and use of the property
Property Floor Space (metres squared, m2)	Number	Provide the usable area of the internal flooring of the building in metres squared. This should cover the total of all room areas, hallways and circulation space, excluding staircases. Loft space is not included, unless the loft is habitable with a fixed stairway to access it. This definition is taken from the English Housing Survey, Floor Space in English Homes technical report 2018 by DHLUC (formerly MHCLG). https://www.gov.uk/government/publications/floor-space-in-english-homes
Property Number of Floors	Number	Provide the number of floors that exist on the property. This should exclude the loft.
Property Number of Rooms	Number	Provide the number of usable rooms that exist in the property. This should include living rooms, kitchen, bathrooms, bedrooms. It should exclude the loft, unless this is a liveable space with a fixed stairway
Smart Meter Installed?	Yes/No	Indicate whether the property has a smart meter installed
On or off gas grid property	Yes/No	Identify whether the property is connected to the gas grid network or is an off gas grid property.

Current Heating System Type	Text	Indicates the main space heating system of the premises prior to installation of the measure
Number of measures to install	Number	Identify the number of measures planned for installation at the property and covered by this application
Total Cost of Application	Number	The application should include a total proposed cost for the project. The total application cost should

		include the cost of the equipment, labour, repairs and maintenance
Number of Installers	Number	Input the total amount of installers, including apprentices, that are working to install measures in the property
Number of Apprentices	Number	Input the total amount of apprentices that are working to install measures in the property
Current EPC Rating	Drop-down	The EPC rating of the property before any measures were installed
Post Measures Installed EPC Rating	Drop-down	The EPC rating of the property post measures being installed
Current SAP Box 39 value	Number	Insert in numerical format the SAP Box 39 value for the property before measures were installed. Should be supplied using full SAP
Post Measures Installed SAP Box 39 value	Number	Insert in numerical format the SAP Box 39 value for the property after measures were installed. Should be supplied using full SAP
Current SAP Box 4 value	Number	Insert in numerical format the SAP Box 4 value for the property before measures were installed. Should be supplied using full SAP
Post Measures Installed SAP Box 4 value	Number	Insert in numerical format the SAP Box 4 value for the property after measures were installed. Should be supplied using full SAP
Current Measures Installed SAP Box 99 value	Number	Insert in numerical format the SAP Box 99 value for the property before measures were installed. Should be supplied using full SAP
Post Measures Installed SAP Box 99 value	Number	Insert in numerical format the SAP Box 99 value for the property after measures were installed. Should be supplied using full SAP

Current Airtightness Test value	Number	Insert in numerical format the airtightness test value for the property before measures were installed
Post Measures Installed Airtightness Test value	Number	Insert in numerical format the airtightness test value for the property after measures were installed
Trustmark Measure Reference Number	Number	When a measure is lodged with TrustMark a unique TrustMark measure reference will be generated. Supplier must have this number before notifying the measure to the

		Administrator. This field will be validated against TrustMark's Data Warehouse. Auto generated from installer details.
TrustMark Lodgemark Certificate Number	Number	Provide a TrustMark lodged certificate ID which will be issued by TrustMark for the measure. This field will be validated against TrustMark's Data Warehouse.
PAS Certification Number	Number	Provide installer's PAS certification number. This must be the PAS certification number relevant to the annex of the measure being installed. PAS certification number is required as evidence that a measure has been installed by a PAS-certified installer. Auto generated from installer details.
Date of Starting Installation	Date	The date of started installation (DOSI) indicates the date on which the installation of the measure began. This is the point at which the installer begins working on site to install the measure. It includes any preparatory work before commencing the measure installation.

Date of Completed Installation	Date	The date of completed installation (DOCI) indicates the date on which the installation of the measure was 'complete'. By complete, this is the point of handover, when the measure must be able to deliver savings at a level expected for that measure. This will typically be the point at which the installer has finished the installation, with handover being the installer providing any explanation on the safe, efficient operation of the system, as well as any guidance on care and maintenance. N.B. All paperwork and updated EPC-band must be completed prior to recording date completed.
Measure Type	Drop-down	This describes the measure type installed at the premises (each measure installed is to be reported in a separate row). Please see the guidance page on the measures that should be reported against
Other Measure	Text	If other measure is selected from the dropdown please specific it here
Total cost of measure (£)	£	The cost should include a total cost for the measure.
Of the total cost, how much is SHDF - Wave 1 funding from government for this measure (£)	£	The total amount of funding that came from SHDF – Wave 1 from government for this measure.
Of the total cost, how much is funding from other LA sources (nonSHDF – Wave 1) for this measure (£)	£	The total amount of funding that came from other LA sources (not SHDF – Wave 1 funding) for this measure.
Of the total cost, how much is selffunding for this measure (£)	£	The total amount of funding contributed by the household where a measure took place.

Installer Details - Quarterly		
LA Installer ID number	Text	Links back to lodgement number within TrustMark

Installer Name	Text	Provide the name of the company that carried out the installation of the measure at the premises. This should not be the name of the managing agent unless they carried out the installation.
Installer Email Address	Text	Email address of the installer. This should be the email address of a named contact, and not a generic business address.
Installer Phone Number	Number	Phone number for the installer, either landline or mobile number. This should be the phone number of a named contact, and not a generic business phone number.
Installer Consent to Contact	Yes/No	Provide Y/N response as to whether the installer consents to future contact regarding the installation and scheme
Privacy Notice Issue Date	Date	Indicate the date when the LA issued the Installer with a Privacy Notice
Trustmark Business ID number	Number	All measures must be delivered by a TrustMark registered business (or equivalent). This field will be validated against TrustMark's Data Warehouse.
Was the installer Trustmark accredited before SHDF – Wave 1 project	Yes/No	
Companies House Company Registration Number	Number	Registration number
PAS Certification Number	Number	Provide installer's PAS certification number. This must be the PAS certification number relevant to the annex of the measure being installed. PAS certification number is required as evidence that a measure has been installed by a PAS-certified installer.

Tenant Details - Quarterly		
Unique Property Reference Number	Number	Please input the properties UPRN
Tenant Name	Text	Name of the Tenant
Tenant Email Address	Text	Email address of the applicant

Tenant Contact Number	Text	Phone number for the applicant, either landline or mobile number
Contact Consent	Yes/No	Provide True/False response as to whether the applicant consents to future contact regarding the installation and scheme
Privacy Notice Issue Date	Date	Indicate the date when the LA issued the tenant with a Privacy Notice
Tenant dropout	Yes/No	Provide YES/NO as to whether tenant has dropped out of project
Reason for tenant dropout	Drop-down	State the reason for tenant dropout
Reason for tenant dropout - Other reason	Text	If 'Other' selected please outline the reason for tenant dropout in the text box

Appendix F – Privacy Notice Template

SHDF Privacy Notice

This notice sets out how

The London Borough of Camden will

use your personal data, and your rights. It is made under Articles 13 and/or 14 of the UK General Data Protection Regulation (**UK GDPR**). This notice relates to data collected under the Social Housing Decarbonisation Fund scheme (**SHDF**) operated by

The London Borough of Camden

and run by BEIS. For further information on how BEIS uses your personal data, please see BEIS' SHDF Privacy Notice (Available here).

What personal data do we hold?

In order to deliver energy efficiency improvements, it is necessary for us to collect and hold personal information.

If you are a **tenant**, we will process the following personal data:

- Basic personal information such as your name, address, telephone number and email address for arranging works
- Details about the works installed at the property, including size, type and cost
- Household income and any other scheme eligibility information
- Expected energy, carbon and cost savings expected from the works
- Your name and preferred means of contact if you'd like to take part in BEIS' scheme evaluation (optional)

If you are an **installer**, we will process the following personal data:

- Your name and preferred means of contact for arranging the works
- Relevant accreditation and registration information
- Business contact address
- Details of SHDF installations you delivered (including location)
- The number of employees in your organisation
- Your name and preferred means of contact if you'd like to take part in BEIS' scheme evaluation (optional)

If you are a **delivery partner** in a project, we will process the following personal data:

- Your name, role, and professional contact details

How will we use the Information we hold about you?

We collect information about you (where applicable):

- To support the delivery and administration of energy efficiency schemes. This may require linking of your data to other datasets held by BEIS and other government departments
- With your consent, to invite you to take part in scheme evaluation

What is the legal basis for us to process your data?

The lawful basis is **article 6(1)(e) public task** as processing is necessary to perform tasks carried out in the public interest or in the exercise of official authority vested in us. This is to undertake our responsibilities relating to carbon reduction and Net Zero as defined by the Climate Change Act (2008).

Other processing will be necessary for the performance of our contractual obligations, e.g. under any tenancy or lease which will be **article 6(1)(b) contract**.

BEIS process data necessary for the performance of tasks in the public interest to deliver SHDF. The lawful basis is **article 6(1)(e) public task** . The data will support a detailed evaluation of the overall scheme, including the types of properties, households and measures delivered through the SHDF, in order to ensure use of public funds has delivered value for money, and realised intended benefits, including to inform policy making in the fields of energy efficiency, fuel poverty, and health. It will also support BEIS' functions relating to carbon reductions under the Climate Change Act 2008. Your data may also be used for statistical, research and fraud prevention purposes.

BEIS will be conducting an evaluation of the Scheme. This may include you being contacted to take part in further research. Use of your personal data to contact you to take part in further evaluation research will be subject to your consent. The lawful basis will be **article 6(1)(a) consent**. BEIS will only process your personal data for this purpose with your opt-in consent, and a consent form will be provided to you. Note that you can withdraw consent at any time, and it will not impact the delivery of any works.

Who we will share your information with

We may share your information with partner organisations, including:

- The Department for Business, Energy and Industrial Strategy (BEIS), its delivery partners and contractors, and their data processors Microsoft and Amazon Web Services

- details of who will be doing the works

We will not normally share your information with organisations other than our partner organisations without your consent, however, there may be certain circumstances where we would share without consent such as where we are required to do so by law, to safeguard public safety, and in risk of harm or emergency situations. Any information which is shared will only be shared on a need to know basis, with appropriate individuals. Only the minimum information for the purpose will be shared.

How long do we keep your records

Throughout the duration of the SHDF project which is expected to end 31st March 2023.

International transfers

No data will be transferred out of the EEA.

Your rights

You have a number of rights under UK GDPR, including the right to request your information and the right to request your information be erased or amended if incorrect. To **request your records**, **request changes** to your records, or to **object** to the processing of your data, you will need to put your request in writing and provide a proof of identification to dpo@camden.gov.uk or use our webform Your rights - Camden Council

You have the right to **withdraw consent** for the processing of your personal data, where processing is based on consent, such as the BEIS research and evaluation. To withdraw consent, you can choose to contact dpo@camden.gov.uk or use our webform Your rights - Camden Council

You may also contact BEIS' Data Protection Officer at the Department for Business, Energy and Industrial Strategy, 1 Victoria Street, London, SW1H 0ET, or via email, dataprotection@beis.gov.uk.

You also have a right to **make a complaint** about our handling of your personal data to the Information Commissioner's Office (ICO), an independent regulator. You can contact the ICO at Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF, or via email, casework@ico.org.uk. Any complaint to the ICO is without prejudice to your right to seek redress through the courts.

Further information

If you have any questions or concerns about how your information will be used, please contact the Data Protection Officer at dpo@camden.gov.uk

Appendix G

– Consent Form to Issue to Data Subjects

I have read and understood this Privacy Notice and BEIS' Privacy Notice.

Yes □ *No* □

Do you consent to BEIS, or their appointed contractors, to recontact you for the purpose of research and evaluation related to the installation received under SHDF-Wave 1?

Yes □ *No* □

Participation is entirely voluntary and you may withdraw consent at any time. Personal data necessary to deliver work on your property will continue to be collected. Your installation and the work on your property will not be affected if, at any time, you choose not to take part.

Annex 6a: Approved Application Proposal (the Proposal)

For the purposes of SHDF – Wave 1, the Proposal is the approved application submitted on or before 15 October 2021 as part of the SHDF – Wave 1 competition.

Annex 6b: Updated Baseline Milestone Schedule

For the purposes of SHDF – Wave 1, the updated Baseline Milestone Schedule is a revised version of table 5a in the SHDF – Wave 1 application form, with dates updated to reflect the new competition award date.

Updated Baseline Milestone Schedule																	
Milestone	**Date completed**	**Units**	**Jan22**	**Feb22**	**Mar22**	**Apr22**	**May22**	**Jun22**	**Jul22**	**Aug22**	**Sep22**	**Oct22**	**Nov22**	**Dec22**	**Jan23**	**Feb23**	**Mar23**
MS1 – Project Team Established		% completed															
MS2 – PAS 2035 Risk Assessment stage completed		No. homes															
MS3 – Dwelling Assessment stage completed		No. homes															
MS4 – Design and Coordination Stage completed		No. homes															
MS5 – Procurement Activity completed		% completed															
MS6 & MS7 – Installation started and completed		No. homes															
MS8 – Handover & Data Lodgement Completed		No. homes															

Annex 7: Data Requirements

In accordance with the Governance and Performance sections of this MoU, the Authority will be responsible for supplying the Project Team with the required monthly data on or before the 10th working day of each month. The requirements for this reporting, which will form the Monthly Report by the Authority, are as follows:

Monthly Data Requirements	Quarterly Data Requirements (for ongoing Monitoring & Evaluation)	Per Property or One-off Data Requirements
Monthly Summary • Summary of status • Activities this period • Plan for next period • Estimated Project Completion date • Top 5 Risks • Instances of Fraud **Milestone updates** • MS1 Date at which project team was appointed • MS2 PAS2035 Risk Assessment stage completion date • MS3 PAS2035 Dwelling Assessment stage completion date • MS4 Design & Coordination completion date • MS5 Procurement activity stage completion date • MS6 Installation stage started • MS7 Installation stage completed • MS8 Handover and Lodgement Stage completed **KPI Performance** • KPI 1 PAS 2035 Risk Assessment Completed • KPI 2 PAS 2035 Dwelling Assessment • KPI3 Design & coordination stage Completed • KPI4 Number of Privacy notices issued to tenants and Installers • KPI5 Number of completed properties • KPI6 – Total project spend **Project additional info** • No. of tenants & installers who have consented to be invited to take part in BEIS evaluation • Procurement activity – percentage of all procurement activity completed to deliver all projects being funded • Number of Installers • Number of Apprentices	• Unique Property Reference Number • Tenant Name • Tenant Email Address • Tenant Contact Number • Contact Consent • Privacy Notice Issue Date • Tenant Dropout • Reason for Tenant Dropout • LA Installer ID number • Installer Name • Installer Email Address • Installer Phone Number • Installer Consent to Contact • Privacy Notice Issue Date • Trustmark Business ID number • Was the installer Trustmark accredited before SHDF project • PAS Certification Number • Companies House Company Registration Number	**Per property** • Unique Property Reference Number • Property Address (first line) • Town • Postcode • Fuel Poor Household • Property Type • Property Year Built • Property Floor Space (metres squared, m2) • Property Number of Floors • Property Number of Rooms • Smart Meter Installed? • On or off gas grid property • Current Heating System Type • Number of measures to install • Type of measure installed • Total Cost of Application • Current EPC Rating (pre-measures installed) • Post Measures Installed EPC Rating • Current SAP Box 39 value (premeasures installed) • Post Measures Installed SAP Box 39 value • Current SAP Box 4 value (pre-measures installed) • Current Installed SAP Box 4 value • Post Measures Installed SAP Box 99 value (pre-measures installed) • Post Measures Installed SAP Box 99 value • Current Airtightness Test value (premeasures installed) • Post Measures Installed Airtightness Test value • Date of Starting Installation • Date of Completed Installation • Trustmark Measure Reference Number • TrustMark Lodgemark Certificate Number • Total cost of measure (£) • Of the total cost, how much is SHDF grant funding for this measure (£) • Of the total cost, how much is LA funding for this measure (£) • Of the total cost, how much is selffunding for this measure (£)

Annex 8: Recovery Plan (draft – final template to be provided to the Authority)
